RE: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

Dear Judge Marion,

I am filing as a concerned citizen and requesting full party status in the above referenced matter. As a rate payer, I question the effectiveness of the American Transmission Company's proposed transmission projects in Dane County.

I am requesting full party status in the above referenced matter to assert my interest in the issues of the case. It would be most appropriate for the Wisconsin Public Service Commission to deem the ATC North Madison to Huiskamp Transmission Project application incomplete as the ATC has failed to respond to all of the Wisconsin Public Service Commission information requests including information on the effects of conservation and renewables and because ATC has failed to provide credible justification of need.

All ratepayers will be affected by the Wisconsin Public Service Commission decision regarding the ATC's North Madison to Huiskamp Transmission Project. My interests will not be adequately represented by other parties. Thank you for your consideration of this request. Please direct all correspondence on this matter to:
